The Oompah Band

Bavarian Night 4th October 2008

Dave 'Helmut' Cole plays the tuba and calls the tunes. He leads the singing in the Bavarian Drinking Song and keeps the guests busy with funny things to do. Dave drives the band bus and tells the best jokes.

Herr Lipp, alias Cliff Wybrow has mastered the art of playing very high notes on the Clarinet without the aid of a safety net. He is the band choreographer and past runner-up in a hairy knees competition

Fraulein Karlina, aka Caroline Mitchell is really a virtuoso violinist who just happens to enjoy playing the squeeze box. She is the perfect playing partner for the boys; charming, witty, struggles to finish a half of cider and is a great cook!

Heimi Winklestroker, alias Paul Shepherd plays trombone and is the band's very own bier expert. He can tell a Pils from a

Weitzen at ten paces and is always first to sample a brew, then another.... and another..... before recommending one to his colleagues.

Don't miss out on this one. Book your tickets early to avoid disappointment
